

Mini Crawlers

Used Mini Crawler Santa Maria - We have designed various Mobile Crane Operation programs at our Crane Training Schools. These programs are recommended for the skilled operator who requires re-certification or certification, and for inexperienced operator who is looking for work in the business. Crane operator positions are in demand because of their high rates of pay. Operators of cranes are among the highest paid of any operator of heavy machine. Our Crane Operator training provides instruction for a variety of mobile cranes. Course content includes Crane Set-up, Wire Rope, Load Dynamics, Lift Planning, Signaling, Load Charts and Rigging. The program is best for crane operators, riggers and their supervisors. The materials included in the course will include a guidebook and lots of informative handouts. The illustrated safety manual consists of 100 to 250 pages, which depends on the course, of vital and helpful material. Course materials comprise load charts and load chart exercises for the crane with which the trainee is working. Over half of the course includes Hands-On Safety Training. Practical training is helpful for developing and increasing personnel skills levels. Only licensed journeyman crane instructors are selected to teach the courses. Our instructors possess many years of experience in the business. Optional testing mechanisms are offered for all of our courses. Students will normally write tests both before and after training. A skills test is normally administered for programs which comprise H.O.S.T. People training will be graded and tested. Certification Training Programs: Fixed and Swing Cab Mobile Hydraulic Cranes; Lattice Boom/Crawler Cranes; Articulated Boom/ Knuckleboom Cranes; Rigging / Signalperson Training and Certification; In-The Seat Training and Certification & Testing. Industry standards of practice are evolving as new business requirements emerge. There are constant updates to regulations and legislation. Enhancements in technology and equipment continue to be made. Industry data analysis and collection detect trends which are changing. Members maintain the privilege of managing their training programs and certifications. Mobile device alerts keep members abreast of workplace and personal safety news.
